**Item 8.01        Other Events.**

On April 13, 2020, in response to the experienced and anticipated impacts on originations, operations, and cash flow across the branch network as a result of the COVID-19 pandemic, the Company announced certain proactive measures. The Company is temporarily furloughing approximately 40 employees that represent 15% of the Company’s workforce. The employees will not receive compensation from the Company during the furlough period starting April 14, 2020 for hourly employees and April 18, 2020 for salaried employees, respectively; however, subject to local regulations, these employees will be eligible for unemployment benefits. The Company anticipates the furlough period will end on May 17, 2020 and all furloughed employees will be eligible to return to work starting on May 18, 2020. The furlough period will be reassessed as business conditions dictate by the Company.
